

## **Participation Guide and Event Program will be in an electronic form.**

### **Participation Guide**

Saitama Marathon is working on sustainability initiatives to achieve the Sustainable Development Goals (SDGs) the international community has tackled. As the part of the effort, the participation guide will not be sent in paper form, but will be distributed in electronic form as a general rule.

Therefore, regarding the participation guide, please download the electronic data that will be uploaded to this website in the future, save it on your smartphone, etc., or print it out. If you wish to have your entries sent on paper, please indicate your preference in the confirmation items during the entry procedure (on the RUNNET entry site).

\*It will be sent in advance separately from athlete bibs, measurement chips, etc.

\*Those who have entered from "RUNNET GLOBAL" will be given athlete bibs etc. on the day before the race. Details will be announced later by e-mail from the organizer.

### **Event Program**

Saitama Marathon is working on sustainability initiatives to achieve the Sustainable Development Goals (SDGs) the international community has tackled. As the part of the effort, the event program will be distributed electronically. For those who wish to receive the event program on paper, it will be issued for a fee (500 yen). If you wish to have your certificate issued on paper, please indicate your preference in the confirmation items during the entry procedure (on the RUNNET entry site). The details of the delivery method, etc. will be announced again by e-mail, etc. from the organizer.
